Task Description	Assigned to
Clean up and Backup Database	Bella

Minutes from Previous Meeting

In our previous meeting, we reviewed ongoing tasks and their progress. Gaby is currently working on the 'User Login Page UI' and 'List Products with Detailed View', both in progress. Albert has successfully completed the 'OrderHistory DAO' and 'OrderItem DAO', and is now implementing 'User Authentication and Authorization' using OAuth. Vic has finished the 'Client Side Menu & Display Product Categories' and is working on the 'Add-to-Cart Functionality'. Vincent is making headway with the 'Weather Service API Integration' and the 'Google Translate API Integration', focusing on transferring from HTML to JavaScript.
