Minutes from Previous Meeting

In our scrum session, the team reported significant progress. Gaby is finalizing the user login page UI, marking it as completed. She and Vic are continuing work on Manager Features for Sales Analytics and Performance Display (Excess Rp) and Magnification Controls, respectively, both still in progress. Vic has successfully implemented Checkout Functionality. Work on high contrast color palette, weather component layout, and language selection UI is underway by Gaby, Albert, and Vincent. Bella has completed finalizing render configurations but has not yet started on documentation.
